The Narrative Form is designed to help you, the application review, interested agencies, and adjacent property owners to the proposal understand the scope of your project and how your project meets the legal requirements in the Yakima County Codes. You should refer to the appropriate sections of the ordinance when describing your proposal if applicable. You can obtain a copy of the ordinance in our office or access it on the internet at:

<http://codepublishing.com/wa/yakimacounty/>

**Narrative Content:** Please tell us the “who”, “what”, “where”, and “why” of your proposal. A list of typical content is provided below. **Please do not limit your project’s description to just these items.** In order for us to conduct a timely review of your project please **be as detailed as possible.** Any missing/confusing information could result in the delay of our review.

Note: Not all content listed below will be pertinent to your proposal. These items are suggestions in order to help you draft your narrative.

**Suggested Content:**

- Describe the current use of the site including all existing structures with their dimensions, square footage and usage.
- Describe the proposed use in detail (including but not limited to the type of business and/or use, hours and days of operation, number of employees, number of people living on-site, maximum number of customers and/or guests, changes or additions to the driveways or other access points, the type of mitigation or adjustment requested).
- Describe which standards are proposed to be adjusted and justify why the standard needs to be adjusted.
- Describe any new or existing structures to be used as part of this proposal.
- Describe how the proposed use will be pertinent to the proposed/existing structures.
- Describe any parking facilities (number of spaces and surface type), landscaping, signage, and lighting that will be associated with your proposal.
- Describe your access to the property and the route of travel to the site.
- For commercial operations describe the travel ways that will be located onsite.
- Describe the timelines for completion of your proposal.

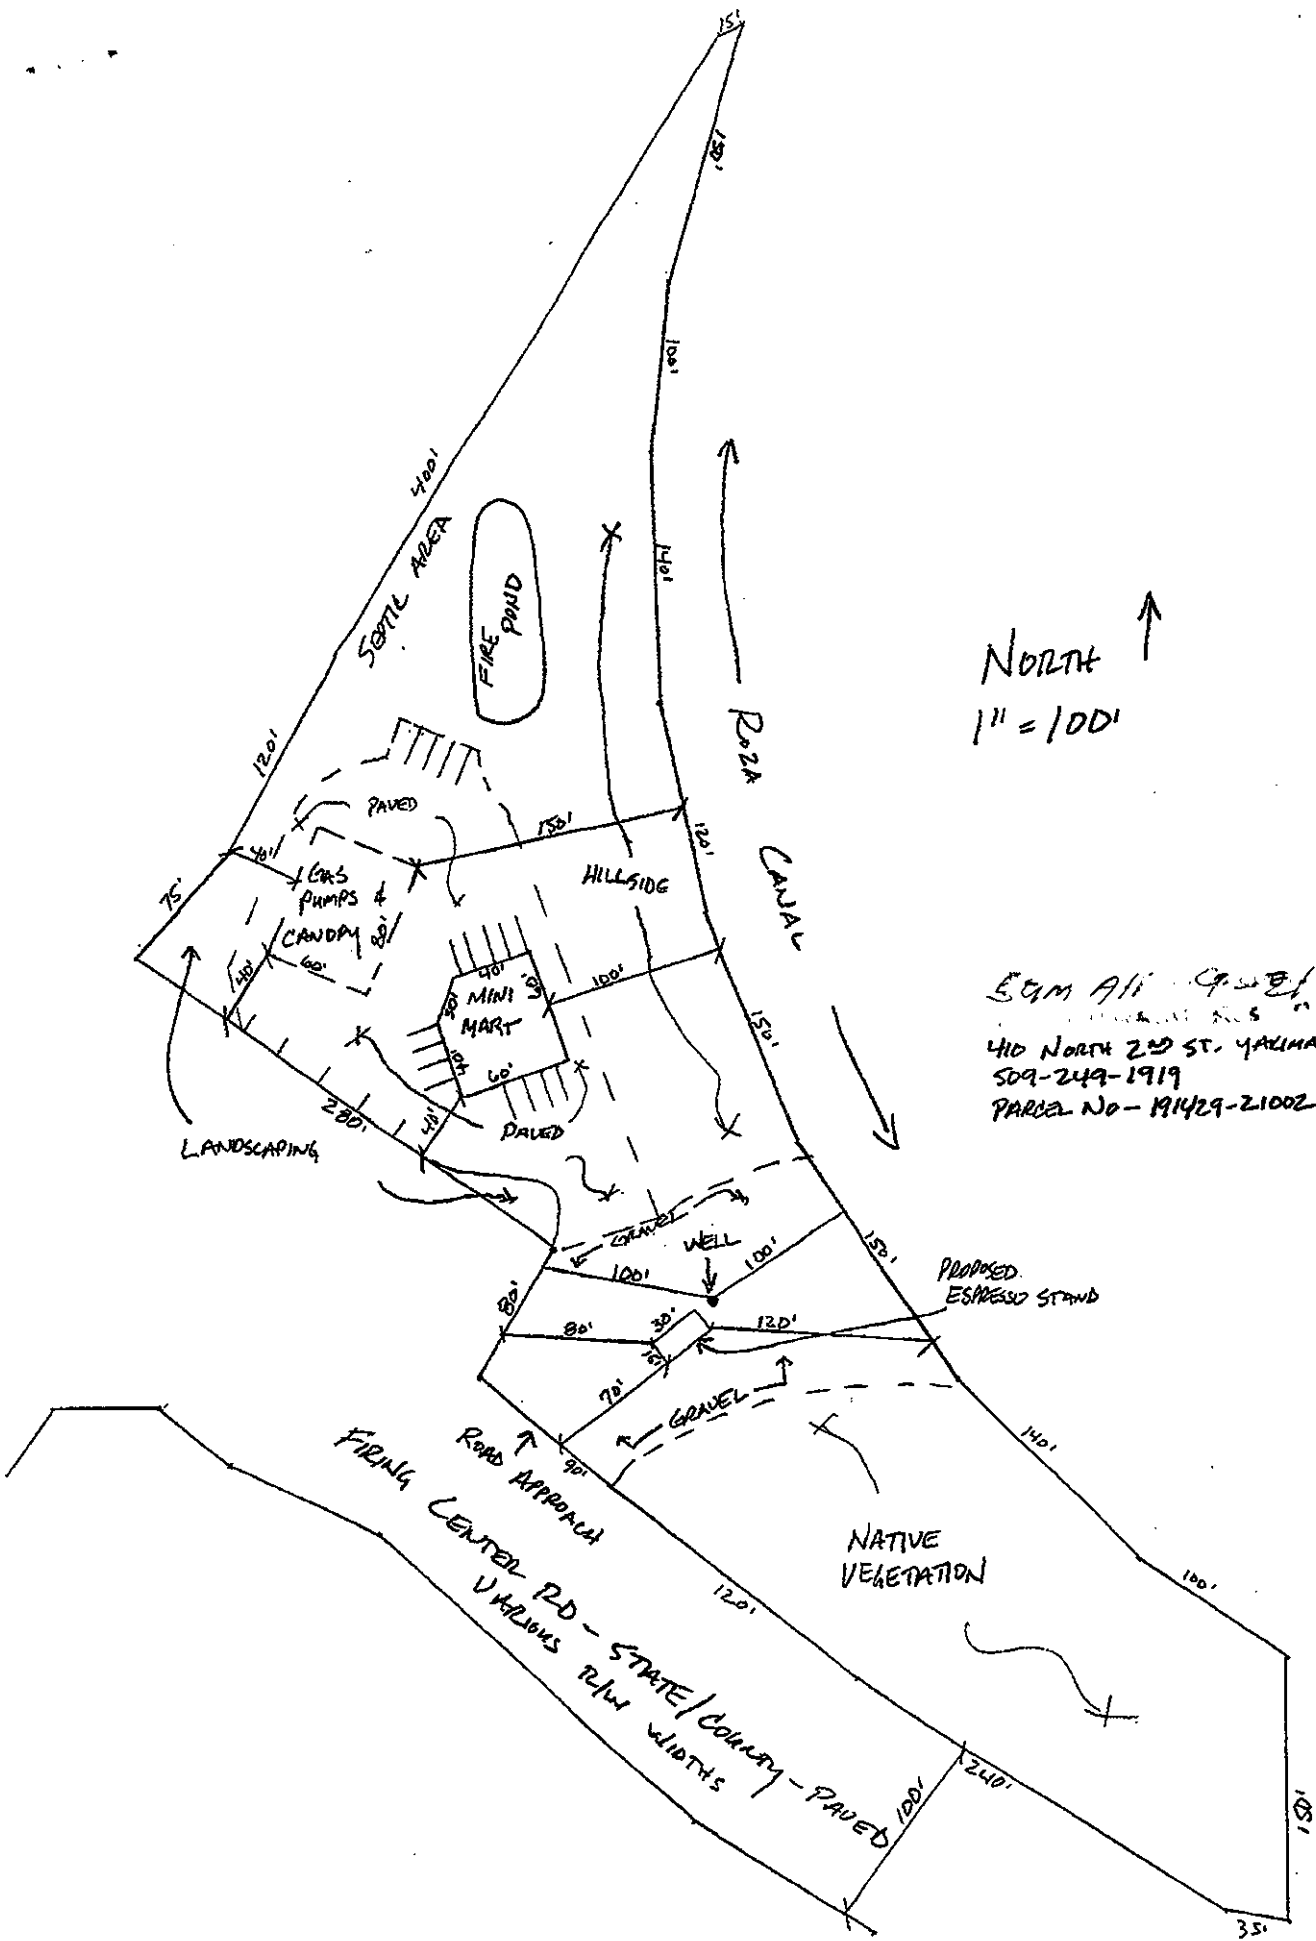

**Please remember that your narrative must explain in detail the specifics of your proposal and any missing information may result in the need for future reviews.** Your narrative can be typed and printed on a separate sheet of paper with “See Attached” written below, or you may print out legibly your narrative on the lines provided.

We Purchased the existing property and businesses AS IS at 51 Firing Center Rd in August of 2013. The businesses were a Gas Station C Store With a Subway Restaurant. In October 2016 our agreement with Subway ended and we terminated the Franchise. Over the next six months we purchased a grill Fryer and a Hood in order to serve hot food along with the Sandwiches. In January we received a business license from the State of Washington to operate Bullseye Burger. Our Hood was permitted by Yakima County in March 2017. In October 2017 we received our liquor license. We currently operate Firing Center Burger located at 51 Firing Center Rd inside The Chevron. Hours of operation are 7 days a week 6AM to 8PM, We employ 5 people and our goal is to provide good food to local and traveling customers. When we purchased the Property in 2013 we were unaware it was zoned for Type 2 Restaurant. The Subway Franchise had been in business since 2007. We would like your permission to continue to operate the Restaurant and be in full compliance with the County.
