Final Threshold Determination - DNS

Enclosed is the Final Threshold Determination -- Determination of Non-Significance (DNS) for the installation of a 150' wireless communication monopole in a 50' x 50' fenced area with associated equipment. We have retained the Threshold Determination and determined that it will not have a probable significant adverse impact on the environment. Please review the attached documents for information on conditions of approval, and your appeal options.

An open record public hearing is scheduled before the Yakima County Hearing Examiner on Thursday, February 1, 2018 at 9:30 am at the Yakima City Hall Hearing Room, 129 N. 2nd Street Yakima, WA. Written comments for the hearing may be submitted to the Planning Division prior to the hearing, or provided at the hearing. Any appeals of the SEPA Threshold Determination will be consolidated with the application review at the scheduled hearing on the proposal. Interested parties may participate in the hearing. A Planning Division staff report on the project will be available about a week before the hearing. If you have any questions on the project or the appeal process, please contact Julia Loudon, Planner, at (509) 574-2300.

FINAL
DETERMINATION OF NON-SIGNIFICANCE
(Notice of Action)

1. **Description of Proposal:** The Yakima County Planning Division has received a request to install a new wireless communication facility on a currently vacant parcel. The facility will be within a 50' x 50' fenced area and include a 150' monopole, radio equipment cabinets, and a backup generator. The monopole will be designed to have a light, natural-toned non-glare finish to blend in with surroundings. The access road to the site will be improved to meet fire protection and stormwater standards.
