The Narrative Form is designed to help you, the application review, interested agencies, and adjacent property owners to the proposal understand the scope of your project and how your project meets the legal requirements in the Yakima County Codes. You should refer to the appropriate sections of the ordinance when describing your proposal if applicable. You can obtain a copy of the ordinance in our office or access it on the internet at:

<http://codepublishing.com/wa/yakimacounty/>

Narrative Content: Please tell us the “who”, “what”, “where”, and “why” of your proposal. A list of typical content is provided below. **Please do not limit your project’s description to just these items.** In order for us to conduct a timely review of your project please **be as detailed as possible.** Any missing/confusing information could result in the delay of our review.

Note: Not all content listed below will be pertinent to your proposal. These items are suggestions in order to help you draft your narrative.

Suggested Content:

- Describe the current use of the site including all existing structures with their dimensions, square footage and usage.
- Describe the proposed use in detail (including but not limited to the type of business and/or use, hours and days of operation, number of employees, number of people living on-site, maximum number of customers and/or guests, changes or additions to the driveways or other access points, the type of mitigation or adjustment requested).
- Describe which standards are proposed to be adjusted and justify why the standard needs to be adjusted.
- Describe any new or existing structures to be used as part of this proposal.
- Describe how the proposed use will be pertinent to the proposed/existing structures.
- Describe any parking facilities (number of spaces and surface type), landscaping, signage, and lighting that will be associated with your proposal.
- Describe your access to the property and the route of travel to the site.
- For commercial operations describe the travel ways that will be located onsite.
- Describe the timelines for completion of your proposal.

Please remember that your narrative must explain in detail the specifics of your proposal and any missing information may result in the need for future reviews. Your narrative can be typed and printed on a separate sheet of paper with “See Attached” written below, or you may print out legibly your narrative on the lines provided.

Current use of site includes a main house (1890 sq ft)
living space and a shop building (1200 sq. ft) ADU
is proposed for the existing shop building. Proposed use
of ADU is for guest quarters, we live in main house. (2
adults) no adjustments need to be made to current
infrastructure (roads, driveway, water, sewer)

No new structures will be added. Review site plan for proposed remodel for existing structure (shop building), 1 bedroom, 1 bath, kitchen, living room, suitable for 1-2 adult guests. The main house and proposed ADU have paved driveway, suitable for 4-6 parking spaces. Site is landscaped with lawn, bushes, and trees. An established vineyard is on the other side of property line on the north side of ADU and main house. A large yard light supports both the main house and ADU. All of these specifics are already in place and not a part of this proposal. Access to the property is off of Roza Hill Dr, onto a private shared gravel road. ADU access will be shared with main house. ADU ~~is~~ shares community well and existing sewer with the main house. The existing building (ADU) is already equipped with water and sewer.

ADU Building was permitted approximately in 1985. Timeline for completion of proposal is 4-6 weeks from submission date. All specifics of proposal can be reviewed in this document and the site plan completed by our contractor: Bullseye Carpentry, LLC 1716 Parsons Loop Yakima WA 98908
