Request for Comments on SEPA Threshold Determination (DNS)

Yakima County, as lead SEPA agency for this proposal, is issuing the attached DNS for comment under WAC 197-11-340(2). Your views on this proposal are welcome and you may provide written comments on issues related to this threshold determination. Comments must be submitted as described in the attached DNS and received within 14 days. The SEPA Responsible Official will reconsider this DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. No permits will be issued, and the applicant shall not begin work until the comment deadline has expired and any other necessary permits are issued. The lead agency will not act on this proposal for 14 days from the date of issuance.

After the comment period has ended, Yakima County will issue a notice of action to retain, modify or withdraw the DNS, without an additional comment period. The proponent's full submittal (including narrative information, and SEPA environmental checklist) is available for review in our office and online at www.yakimap.com/permits/ under the Case Numbers listed above. If you have any questions on this proposal, please call Noelle Madera, Senior Project Planner, at (509) 574-2300 or 1-800-572-7354, ext. 2300.
