(Notice of Action)

---

1. **Description of Proposal:** The Yakima County Planning Division has received a request for a Type 4 Minor Rezone of a 63.3-acre split-zoned lot. The lot is split-zoned with the north 30+ acres zoned Agriculture (AG) and the south 30+ acres zoned Rural/Extremely Limited Development Potential (R/ELDP). The subject parcel is located south of South Naches Road.

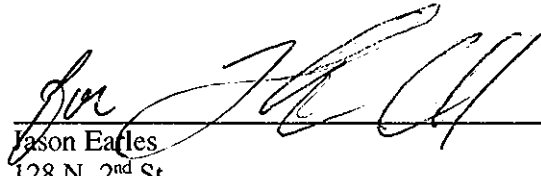

The minor rezone application requests an amendment to the official zoning map established by Title 19. It would change the split-zoning of the subject property from Agriculture and Rural/Extremely Limited Development Potential to Agriculture, making the whole parcel within the AG zoning district. No new structures are proposed with this application.
